WILLARD BEERS IS A GENIUS

Has Constructed a Perfect Working Model
of a Coal Breaker--Death of Mrs.
Patrick McNamara--Fair and Festi-
val in Jackson Street Church.

A marvel of mechanical construction
is a representation of an anthracite
mine and breaker which is now being
made by Willard Beers, of Merrifield
avenue. Mr. Beers, who is now about
18 years of age, began this piece of work
about a year and a half ago, and has
put in a few hours every evening on the
work since that time. Every bit of the
machinery has been turned out on his
own lathe. He had never received any
instructions as a machinist, but his
work has baffled many experienced
workmen who cannot even explain how
the contrivance is made. The breaker
occupies a space about six feet square,
and is built on the plan of the Sand
Banks mine.

The mine is complete in every par-
ticular, with men, mules, cars and coal.
The cars go in the mine empty and
come out filled. A train passes every
seven minutes at a rapid rate of speed
and a man lowers the gates just in time
for it to pass and raises them again
when it has gone by. The father has
been a machinist for many years, but
has never instructed his son. The work
is not quite finished, but will probably
be placed on exhibition as soon as it is.

A Fair and Festival.

The Ladies' Aid society of the Jack-
son Street Baptist church concluded
their fair and festival, which began
Tuesday evening in the basement of the
church, last evening. The rooms were
beautifully decorated. Nearly all the
ladies contributed potted plants and cut
flowers, and these were tastefully ar-
ranged throughout the room. On the
walls and ceiling were festooned stream-
ers of green. Six tables were placed in
the room and a choice supper was
served. The ladies' society realized a
large sum, which will go towards liqui-
dating the church debt. The tables
were attended by the following ladies:
Table No. 1, Mrs. Prichard and Mrs.
Thomas; table 2, Mrs. John A. Morgan
and Mrs. Thomas Roderick; table 3,
Mrs. David C. Williams and Mrs. John
Thomas; table 4, Mrs. Philip Thomas
and Mrs. William C. Davis; fancy
booth, Mrs. John S. Harris and Mrs.
Alfred Roberts and Mrs. John Harris;
candy booth, Mrs. Williams and Mrs.
Alfred Godshall; kitchen, William
Pritchard, Mrs. Jeremiah, Mrs. David
Thomas and Mrs. William O. Jenkins.
The officers of the society are: Presi-
dent, Mrs. D. C. Hughes; vice-president,
Mrs. T. J. Price; secretary, Mrs. John
S. Harris; treasurer, Mrs. John A.
Lewis.

Death of Mrs. McNamara.

At an early hour yesterday morning
Mrs. Patrick McNamara, of Price
street, died at her home very suddenly.
She had been ill for some time. De-
ceased was born in Ireland but has
resided in this country for many years.
She was about 44 years of age, and was
survived by a husband and eleven chil-
dren. Mrs. McNamara was a woman
of estimable qualities, and her list of
friends was very large. The funeral
will take place this afternoon at 2:30
o'clock. Interment will be made in the
Hyde Park Catholic cemetery.

LEG CRUSHED LENGTHWISE.

Weeks of Suffering Relieved.

(From the Altoona (Pa.) Mirror.)
"Up to July 24th last, E. A. Hooser, of
818 Second avenue, here charged of the wheel
foundry of the Pennsylvania railroad. On
that date he was the unfortunate victim
of an accident. He was run over by a car,
the flange of the wheel striking the
foundry of the Pennsylvania railroad. The
toes crushing the left leg lengthwise
up to the knee, and rendering amputation
necessary to within eight inches of the
hip. After nine long months at the Al-
toona hospital, and still longer since at
his home, he found himself in a deplorable
condition.

"At this time," said Mr. Hooser to a
Mirror reporter, "I broke out on my arms,
back and hips; my right leg was a terrible
sight. The calf below the knee had two
boils on it. I could not sleep, no appetite,
and was unable to use my crutches for six
weeks. My physicians seemed to do all
they could for me, but I was in a very
weak condition. I could not digest the
simplest food without difficulty. So I made
up my mind to try Dr. David Kennedy's
Favorite Remedy, and before I had taken
five doses, I could see improvement. I feel
that I will soon be able to return to work.
I have no trouble with my digestion, and
my annoying weakness that afflicted me
so long has entirely disappeared."

Dr. David Kennedy's Favorite Remedy
is an infallible specific for such diseases
as rheumatism, neuralgia, biliousness,
dyspepsia, kidney and liver complaints,
Bright's disease, diabetes, urinary
troubles, and the sickness peculiar to
women. It has cured where all else failed.

A special meeting of Robert Morris

SOUTH SIDE NEWS.

Dr. Manley's Female Servant Has No Use
for the Knights of Rest--Two Societies
Installed Officers Last Evening.

As the servant employed in the fam-
ily of Dr. J. A. Manley was scrubbing
the floor of the doctor's office yesterday
morning, Timothy Lavelle, of Ripple
street, whose wife had become suddenly
ill during the night, rang the office bell
to summon the physician. The ser-
vant answered the call and said that a
man dressed in overalls--Mr. Lavelle
had on his working clothes--was at the
door. She sized him up as a Weary
Willie in search of provender, and
slammed the door in his face. Mr. La-
velle thought that she would notify the
doctor, but he had evidently outside for
an hour and at last concluded to go for
some other doctor; but Clerk James
Tullih, of D. W. Humphrey's pharmacy,
arrived on the scene and sent word to
Dr. Manley that he was wanted in a
hurry. The servant figured it out that
Mr. Lavelle was a doctor, only waiting
for her to go upstairs to notify the doc-
tor, and then he would have free rein
to rummage the office while she was
gone.

J. Murphy Plays Third Base.

Base ball enthusiasts of this city will
be particularly interested in two of the
many games of base ball played yester-
day. Special correspondents of The
Tribune have sent detailed accounts of the
Scranton-Harrisburg game at Har-
risburg, and the Georgetown-Lehigh
game at Washington.

The Scrantons were defeated by a 20
to 16 score. However, the result is not
surprising when it is considered that
Whitehead, Johnson and Sweeney only
tripled Tuesday after a 3,000-mile trip
from San Francisco, and that the
make-up of the team brings many of the
men together as strangers.

Georgetown downed Lehigh by 14 to 5.
John Murphy, of this city, covered third
for Georgetown and made two hits and
two runs.

Result of the Game at Harrisburg Satisfies
Barnie.

Special to the Scranton Tribune.

Harrisburg, April 10.--The Scranton
team of the Eastern league played its
first game of the season in this city this
afternoon with the local club and lost.
The score was Scranton, 16; Harrisburg,
20. The work of the Scranton infield
was of the very highest order, while the
batting of Whitehead, Johnson and
Houle was heavy. The feature of the
game was fine running catch of an ap-
parently safe drive for two bases to
left center by Brady, the Scranton
left fielder. Manager Barnie tonight ex-
pressed himself as being well satisfied
with his players. Said he to The Trib-
une correspondent: "They are a gen-
tlemenly lot of fellows, and ball play-
ers, every one of them. With the prac-
tice that a few exhibition games will
give them, I have no doubt they will
make a showing in the Eastern league
pennant race that the Scranton people
can be proud of. I am satisfied with
the showing they made today, although
they were beaten." Regan, who was
given a trial today, was timid behind
the bat, but did good work with the

Washington, April 10.--Georgetown
defeated Lehigh today by a score of 14
to 5. It was a rather ragged game
throughout, but there were enough
brilliant plays to make the contest in-
teresting. Bowie was an enigma to the
Georgetown sluggers for the first four
innings, but after that he was batted
quite freely, fourteen hits being scored
of him. Carmody had Lehigh com-
pletely at his mercy, two of their four
hits being bunts and one a misjudged
fly. "Big Mike" Mahoney and John
Murphy led the batting for Georgetown,
while Bowie and Gannon did the prin-
cipal stick work for Lehigh. The in-
field of Lehigh played a pretty game.
Thompson, Gannon, Goss, Stetson and

ner.

Dr. Campbell's Great Magic Worm
Sugar and Tea.

WONDERFUL

South Scranton, Pa., Nov. 10, 1894.

Mr. C. W. Campbell--Dear Sir: I have
given my boy, Freddie, 7 years old, some of
your Magic Worm Sugar and Tea, and
to my surprise this afternoon about 3
o'clock he passed a tapeworm measuring
about 20 feet in length, head and all. I have
it in a bottle and any person wishing to see
it can do so by calling at my store. I had
tried numerous other remedies recommended
for taking tapeworms, but all failed. In my
estimation Dr. Campbell's is the greatest
worm remedy in existence.

Yours very respectfully,
FRED HEFFNER, 722 South St.

Note--The above is what everybody says
after seeing the production by W. W.
Campbell, Lancaster, Pa. Successor to Dr.
John Campbell & Son.
